DISCLAIMER

Important Information

Orbital Wills provides will-writing assistance and document preparation services only.

- We are **not a law firm**
- We do **not** provide legal advice
- We do **not** verify your personal circumstances
- We rely entirely on the information you provide

Any will created through Orbital Wills must be properly signed and witnessed to be legally valid.

This service is designed for residents of England & Wales only and may not be suitable for use in other jurisdictions.

If your circumstances are complex, you should seek independent legal advice before relying on any document produced.

Orbital Wills may pay commission or referral fees to introducers or affiliates who refer customers to our platform. This does not affect the price you pay.
